Welcome

It is our pleasure to present the Annual Report for 2022-23, which provides a summary of our accomplishments, financial position, and other information required under the Local Government Act.

This year, we witnessed mother nature's wrath as large amounts of rainfall inundated our council area, causing both overland and waterway flooding.

The response of emergency personnel, Council staff, and the community at large was exceptional, working round-the-clock. While there are still areas that require improvement, we extend our gratitude to our emergency service partners, our staff, and the community for their efforts in keeping our community safe.

The flood relief hubs were very helpful for those impacted by the floods. We extend our gratitude to the service agencies and organisations who provided assistance.

The entire road network was impacted by the flooding, causing widespread closures to major roads. When the water receded, we, like many other councils, were faced with the daunting reality of the staggering cost to repair the roads. Therefore, we joined other councils in calling for an immediate increase in road funding.

One of our key projects this year was preparing for the introduction of the three streams of kerbside waste collection. This required significant operational preparation and community engagement. We commend all staff involved in this significant project and also thank community groups involved with the bin roll-out. Likewise, our waste partners have been a major support.

This year, several significant infrastructure projects were completed, including the Youth Hall at Coleambally (\$150,000), the upgrade to Darlington Point Shire Hall at Darlington Point (\$400,000), and the Splash Park at Darlington Point (\$316,528). The redevelopment of the Luke Park precinct at Jerilderie (\$2 million) and the Coleambally Community Hall upgrade (\$565,000) both will rapidly take shape in the next financial year.

While there are many positives of living in our beautiful rural area, we also face ongoing challenges, particularly relating to the provision of health services and in the water sphere. We will continue to advocate strongly for more equitable access.

In September 2024, local government elections will be held across NSW. You may like to consider nominating for the position of councillor as it is a rewarding and fulfilling one for those that have a passion for the local and regional community.

Finally, we would like to extend our gratitude to staff who work behind the scenes to offer the multitude of services we provide. The extreme weather events and other crises we face create numerous on-the-ground issues. On behalf of our entire community, we appreciate their commitment and dedication.

Creativity, quality, tradition and energy.

The Murrumbidgee

Murrumbidgee Local Government Area is situated in the Riverina region of south-western New South Wales. We are home to several First Nations peoples.

The area comprises the three townships of Coleambally, Darlington Point and Jerilderie. It also includes surrounding rural localities of Argoon, Bundure, Carrathool (part), Coree (part), Four Corners (part), Gala Vale, Logie Brae (part), Mabins Well (part), Mairjimmy, Nyora, Oaklands (part), Steam Plains (part), Waddi and Yamma.

Together, these all form one vibrant rural community offering a world of opportunity, welcoming and friendly people, wonderful lifestyle activities and enviable country living.

Our Councillors

The area serviced by Murrumbidgee Council is divided into three wards, with three Councillors elected at a Local Government election to represent each ward. Broadly speaking, Jerilderie covers the Jerilderie area, Murrumbidgee East covers Coleambally and Murrumbidgee covers Darlington Point.

The Mayor and Deputy Mayor are elected by the Councillors. In their role, Councillors make decisions about what happens across our Council area.

During the year, there were 11 ordinary meetings.

Ordinary meetings are generally held on the fourth Tuesday of each month. The public is welcome to attend. The meetings are also livestreamed on our Council Facebook page.

The meeting schedule, agendas, business papers and minutes are available on our Council website or at any Council office.

Throughout the entire year, the Mayor and Deputy Mayor were Cr Ruth McRae and Cr Robert Black, respectively.

Our Vision

Smart growth. Empowered communities. Creating opportunities.

Five key themes form the pillars of the services and facilities we provide to the community. They were developed with the community for the community and are and reflect who we are, what we value and what we aspire to in the future.

Our Identity

Together, with our community, we work to ensure we are:

- Building and supporting a diverse community
- Protecting and embracing cultural identity and heritage
- Creating community opportunities and equitable access to Council and community services and programs
- Enhancing health and well-being
- Creating a safe community

Our Natural Environment

We undertake a guardianship role to ensure and enhance the environment's long-term sustainability through appropriate practices and management, by:

- Protecting the existing regional natural environment for future generations
- Exploring and promoting alternate, sustainable energy sources and practices
- Maintaining a balance between growth, development and environmental protection
- Protecting and managing waterways and catchments
- Valuing and conserving our native flora and fauna

Our Built Environment

We strive for a well-serviced and connected community, with well-planned built, social and community infrastructure that's developed and maintained according to community and public safety needs, priorities and partnerships, by:

- Managing assets responsibly and sustainably
- Ensuring Council buildings and facilities meet community safety needs
- Providing our community with open spaces to be active
- Maintaining and improving transport infrastructure
- Ensuring local utilities and communications infrastructure and connectivity meet future needs

Our Economy

We work closely with new and existing businesses and industries to proactively provide regional economic opportunity, development, tourism creating stability and future growth. We achieve this by:

- Welcoming and supporting the growth, diversity and productivity of businesses and industries
- Promoting and supporting a regional economy and growth
- Promoting and developing tourism strategies and opportunities
- Supporting community access to education, training and future opportunities
- Fostering and developing a resilient, vibrant agricultural sector

Leading by Example

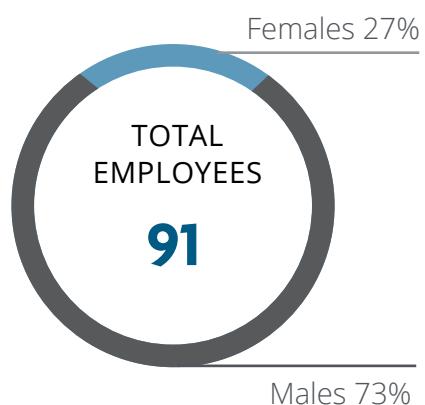

We lead the community in achieving sound, future-focused outcomes for the Council area through ethical practices and good governance. We achieve this by:

- Demonstrating transparent leadership through accountability and community representation
- Engaging with future community leaders
- Investigating funding, services and programs that strengthen communities in the region
- Promoting Council as an 'Employer of Choice' through relationships
- Cooperating and collaborating with other Councils to achieve a strong voice

Floods ravaged our community again in 2022, with some areas experiencing inundation from the Murrumbidgee River and others, from overland flooding. Most of Darlington Point township was protected due to the levee bank, however residents back in 1931 did not have that protection. This photo has been generously made available by Gina Keeble and shows community efforts to clean up after the flood incident of 1931.

Our Identity: People & Place

Housing availability

Work got underway on the Darlington Point Residential Subdivision. The subdivision will result in 50 new houses in Darlington Point and will play an important part in addressing the housing gap.

Addressing the childcare shortage in Coleambally and Darlington Point

We worked with the community to address the childcare shortages in Darlington Point and Coleambally. Surveys in both towns demonstrated a need for local childcare. Committees were established in each town to pursue long day care facilities.

Advocating for improved accessibility to health services

We continued to advocate to improve accessibility to services in our community. This included lobbying for a new medical centre in Jerilderie, involvement in local and regional health advisory bodies and maintaining existing health centres in each town.

Conducting Citizenship Ceremonies

Throughout the year we welcomed:

12 October 2022:
Rhea Huxley, Hardev Singh
and Dymtro Myronyu

6 June 2023: Paul Wood

Upgrading and restoring Murrumbidgee Shire Hall in Darlington Point

Refurbishments to the historic shire hall at Darlington Point were completed, providing a magnificent venue for future community and family events. The project was funded by the NSW Government.

Hosting events in our community

We held 1 x senior's event, over 12 x youth events and 2 x women's events. We also supported more than 50 community events with assistance and promotion

Our Natural Environment Sustainable Living

Key Highlights

Our Natural Environment: Sustainable Living

Reviewing waste management at our 4 landfills

We have 4 landfills across the Council area. A review was commenced of operations at each of the landfills with a view to improving how these are managed to make them more sustainable into the future.

Investigating Rural Garbage and Recycling Collection

Preliminary consultation showed keen interest from rural property dwellers for a roadside collection service for garbage and recycling. A survey will be carried out in July 2023 to determine demand based on preliminary costings.

Promoting the plastics ban for one-off plastics

We actively worked with businesses and the community to promote the NSW Government plastics ban (for one-off plastics) which came into force on 1 November 2022.

Waste to Art Competition and Exhibition

This initiative used art to challenge ideas about things that would otherwise have been thrown away. We received more than 70 entries.

Congratulations to:
Community/Secondary:
1st: Travis Lawton and Heather Goudie. Highly commended: Bridgett McNeilly and Gail Hibbert.

Junior: 1st: Ryder Billing.
Highly commended:
Coleambally Preschool and Early Learning Centre and Milla Rorato.

People's Choice Award:
Travis Lawton

We collaborated with many different champions of waste and art: NetWaste, Western Riverina Arts, Kerri Weymouth Art, Isis Rae-Ronan, Kurrajong Recycling and Wormtech. The NSW Government funded the exhibition opening.

Providing Development Approval Services

We received 50 applications for development. These are listed below with the value in brackets:

Shops/Offices: 1 (\$2,000)

Additions/Alterations

Other (inc accommodation): 2 (\$950,000)

Dwellings: 5 (\$2,934,002)

Dwelling additions/alterations (inc attached carports and garages, verandahs and pergolas): 10 (\$1,673,757)

Detached shed/garage/carports: 7 (\$181,138)

Factories/workshops/warehouses: 1 (\$900,000)

Fences, rural buildings, farm dams and irrigation works, signs, swimming pools, etc: 16 (\$30,259,684)

Public Health and Safety

Activities included:

Food inspections: 27

Onsite sewage systems: 7

Trade waste inspections: 3

Skin penetration inspections: 2

Council swimming pools: 16

Drinking water monitoring tests: 154

Mosquito surveillance: 51

Bulky Waste and Green Waste Collection

The annual kerbside collection program was held in October 2022 to enable residents to clean up their yards and sheds in preparation for the fire season. We worked hard with the community to reduce contamination in the items being put out.

Jerilderie Football Club members assisting with bin roll-out

Introducing Food Organics and Garden Organics Collection

Residents in our council area will be able to manage their household and organic waste more effectively from 1 July 2023 with the introduction of a three bin system for kerbside waste collection, comprising:

1. Weekly Food Organics and Garden Organics (FOGO) across the Council area
2. Fortnightly recycling service for Jerilderie - Coleambally and Darlington Point already have recycling
3. Fortnightly collection of garbage (currently weekly)

There was extensive logistical planning and implementation to ensure the smooth transition to the new system. This included contracting local community groups to deliver the new bins. Our thanks to Coleambally Men's Shed, Darlington Point Men's Shed and Jerilderie Football Club.

Significant engagement activities were undertaken right across the Council area, including:

- Printed and digital material
- Visits to schools, preschools and community groups
- Councillor and staff education by visiting waste partners
- Radio advertising
- Media releases and Mayoral messages
- Letters to ratepayers
- Newsletters and e-newsletters
- Special events, such as community displays and a Waste to Art Competition and Exhibition

NSW EPA Grant

We received a \$130,650 grant from the NSW EPA for purchasing the new bins and kitchen caddies for the Food Organics and Garden Organics (FOGO) collection service.

Our Built Environment Liveable Places

Key Highlights

Our Built Environment - Liveable Places

Emergency Flood Operations

Our Council area was flooded due to heavy rain and inundation, but the community was kept safe through joint efforts of our staff, emergency response teams, government, and other agencies. We thank everyone involved for their dedication.

Repairing our roads after the floods

We contracted specialist engineering firm Shepherd to capture high definition imagery every 10 metres of our entire road network. This was required as digital evidence for our application to the NSW Government for NSW Government flood disaster funding.

Integrated Water Cycle Management Plan (IWCM)

Work continued on the ICWM Plan. This is a multi-disciplinary resourcing strategy that sets out how our water services are provided in an affordable, cost-effective and sustainable way that meets community needs and also protects public health and the environment.

Purchasing a new garbage truck

A new \$410,000 garbage truck was ordered that is capable of collecting all 3 types of waste throughout the entire Council area. The new truck will collect 4 bins per minute, which is a 30% improvement over the old truck. Delivery is scheduled for July 2023.

Darlington Point Residential Subdivision

Onsite work commenced in March 2022 for the new 55 lot subdivision in Young Street, Darlington Point. Lots will range in size from 725m² to 1,052m². The development has already generated keen interest from potential buyers.

New drone from Statewide Mutual and AVCRM

We were delighted to win a drone package worth close to \$30,000 from Statewide Mutual and AVCRM. The prize included equipment, training, licensing and governance, which will be a valuable asset to our organisation.

Calling for action on our roads

With \$2.5 billion flood damage to our roads across the state, our council joined the growing band of local councils and peak advocacy groups, calling for an immediate funding boost by the Federal and State Governments.

Lift and change toilets in Darlington Point

Construction of the new toilet facilities and carpark, situated near the cemetery and Gum View Cafe along Kidman Way is well underway. The project includes a toilet equipped with a lift and change facility for individuals with high care needs. The project is funded by the Australian Government.

Jerilderie Luke Park Precinct Redevelopment

Luke Park and its surroundings are being upgraded thanks to a \$2m grant from the NSW Government. Work includes a deck extension, trail improvements, public art, signage and cultural heritage awareness elements.

Key Highlights

Our Economy - Creating Our Own Opportunities

Assisting businesses, both large and small

During the year, we supported 429 businesses throughout the local government area.

We hosted a Small Business Support Session in June with government agencies coming along to provide face-to-face assistance to local businesses.

Fostering women in business

Business women across our Council area had the opportunity to network and gain a valuable insight into business and personal development at the free networking evening on 7 March 2023. The event was funded by the NSW Government and Murrumbidgee Council.

Government Funding Applications

We submitted 31 grant applications for Council to the value of \$15,940,747. Of these, 17 were successful to the value of \$5,664,699.

We also supported 5 community groups to successfully apply for grants to the value of \$425,523.

Promoting tourism

As part of the Kidman Way Promotional Committee, we attended the Victorian Caravan and Camping Show in Melbourne in February providing the opportunity to reach up to 47,945 people.

Keeping the business community informed

An important tool in sharing information with the business community is the monthly e-newsletter. Subscriptions to the e-newsletter increased from 380 to 690 throughout 2022-23.

Flood Recovery

Following the flood events, we hosted Flood Recovery Hubs with government service providers: Darlington Point: 7 Dec 2022 (with Japanese Encephalitis vaccine hub) and 3 May 2023, and Jerilderie: 15 January 2023.

Explore Murrumbidgee Council

This new booklet builds on the Murrumbidgee Trails campaign and captures all there is to see and do in our beautiful area. It also doubles as a business guide, with information on businesses throughout our area.

Sharing the Ned Kelly story

The unique story of Ned Kelly and his gang's bushranging exploits in Jerilderie can now be shared around the world, with a series of new virtual tours of the town's historic sites. The project was funded by the NSW Government.

Regional marketing initiatives

We continued as active members of committees such as Murrumbidgee Trails, Ned Kelly Touring Route, Kidman Way Promotions Committee, Newell Highway Promotions Committee and Visit Riverina. These enable us to reach a broad audience in a cost effective manner.

Local Business Survey - Key Findings

Every two years we undertake a survey of all businesses. The data assists us to identify impediments to economic development and opportunities for businesses in the region.

The 2022 survey revealed the following:

- 34% of businesses were from the agricultural industry
- 89% of businesses had seen costs increase in the past 12 months
- 30% said recruiting and retaining suitably qualified labour was their biggest challenge for their business

Paint, Sip and Wellness Event, Coleambally

Future directions

- Develop a New Resident Guide and host welcome events in each town
- Develop a tourism video for each of the 3 towns
- Promote and sell residential land in the Young Street, Darlington Point Subdivision
- Develop a prospectus and video to attract investment for our region
- Publish a Council-wide venue guide as a one stop shop for event planners

Leading by Example

Key Highlights

Leading by Example

Advocating for our Council area in the Federal election

We published an advocacy document for the Federal Government election. We distributed this to all candidates. The document outlined initiatives our area needs to ensure a bright future.

A high presence in the community

Our Mayor, Councillors and staff regularly attend community events and activities on behalf of Council. The Mayor provided many welcome addresses, presentations and official duties at these events.

Active members in the health sphere

We work closely with organisations like Murrumbidgee LHD to represent our needs in the health sector. The Mayor's role as Chair of Jerilderie Local Health Advisory Committee, serves as a crucial link between the local community and health service endeavours.

Fighting for water equality

Our councillors and staff actively participate in committees, organisations and forums that advocate for more effective management of water, including Murray Darling Association, Yanco Creek & Tributaries Advisory Council Inc and the Riverina and Murray Joint Organisation.

Local Government Week 2022

'Connect with a Councillor' sessions were held with students from 4 local schools. There was lots of interest in the roles and responsibilities of council and councillors and great questions about topics such as recycling, roads, and recreational grounds.

Increasing staff safety

We implemented a new system called telemetry equipment in most of our plant. The new system makes the workplace safer and more efficient. Alerts will go to the driver and Council when driving is detected that puts safety at risk.

Staff recognition

Congratulations to these people who retired throughout the year:

- Rod Watts
- Brian Wilson
- Terri Connors
- Gillian Dunn

Congratulations to these staff who celebrated career milestones:

10 years: Julie Conn, Shawn Gras and Kerri Weymouth

20 years: Sue Mitchell

Employer of choice

We are an employer of choice in the Murrumbidgee area, with benefits including a fortnightly rostered day off, generous opportunities for professional development and training, 6.5 weeks long service leave after 5 years and a focus on workplace health and safety.

Engaging with our community

We have a strong belief in connecting with our community and working together to make sure activities and initiatives in the area build on the area's qualities as an idyllic place to live, work and play - factors we know are held dearly in the hearts of residents.

Engagement is an ongoing, two-way process in all of our strategic planning and operations.

Here are some of the analytics for the key tools we use to reach our community and other audiences:

Facebook: We reached 213,516 people, which was a 231.6% increase on the previous year. We grew our followers by 288.4%.

Instagram: We reached 5,465 people, which was a 422.5% increase.

Monthly electronic newsletter: We grew our audience to 717, with a 40% increase. Our average open rate was 43%.

Print newsletter: We published 3 newsletters, which were sent to every household and business in the Council area.

Website: Around 7.2K views each month.

Another important way we reach our audiences is through the media.

Cr Ruth McRae OAM receiving congratulatory flowers from Cr Robert Black

Murrumbidgee Mayor Ruth McRae was recognised for her long-standing commitment to local government and the Murrumbidgee community with an Order of Australia Medal in the 2023 King's Birthday Honours List.

Councillor McRae said she was deeply honoured to receive the award. "It is an unexpected honour and very humbling". "I have been privileged to be a councillor for 19 and a half years, firstly with the former Jerilderie Shire Council from 2004 to 2016, and with the amalgamated Murrumbidgee Council since then".

Councillor McRae entered public office when she saw local government as a credible vehicle to represent the Jerilderie community and the wider region. This stemmed from her diverse interests in education, early education, health, disability access and services, aged care, sporting clubs and water.

Council did not hold a controlling interest in any companies during the financial year.

Corporations, partnerships, trusts, joint ventures, syndicates or other bodies in which Council participated

Regulation: cl 217(1)(a3)

Council is involved in a joint venture for the provision of library services. Western Riverina Libraries is a co-operative of five Councils. These are Murrumbidgee Council, Griffith City Council, Narrandera Shire Council, Carrathool Shire Council and Hay Shire Council. The joint venture

provides up-to-date library services to all areas, and particularly to people in remote locations.

The mobile library service, jointly owned by Murrumbidgee Council and Griffith City Council, makes weekly visits to the townships of Coleambally and Darlington Point.

Council expenditure on Library Services amounted to a total of \$319,991.

Other organisations, facilities and arrangements we are involved with are:

- Riverina & Murray Joint Organisation (RAMJO) – to explore local government resource sharing, strategic alliances, lobbying and promotion opportunities.
- Statewide Mutual – a mutual pool scheme providing liability and general insurance cover to NSW Councils.
- StateCover Mutual – a company providing workers compensation insurance cover to NSW Councils.
- Kidman Way Promotional Committee – Member Councils are Murrumbidgee, Griffith City, Carrathool, Cobar and Bourke.

Activities to implement the Equal Employment Opportunity (EEO) management plan

Regulation: cl 217(1)(a3)

Our EEO plan identifies key actions to be undertaken to address the organisation's EEO responsibilities.

The plan aims to eliminate and ensure the absence of discrimination in employment, promotion, training and transfers on the grounds of race, sex, age, pregnancy, sexual preference, disability, marital status, political opinion, social origin or religion, past convictions and carers' responsibility.

Council has continued to work towards ensuring its human resources and training policies and procedures conform to EEO principles and demonstrate fair practice.

Report on the Delivery Program

July 2022 - June 2023

Murrumbidgee
COUNCIL

Strategic Activities: 1: Our Identity - people and place

We all live happily in a thriving, safe and vibrant community.

1.1: We work together to support all members of the community

1.1.1: Work together to achieve enhanced community and public transport accessibility

Action	Progress measure	Responsible Team	Status	Progress	Comments	Annual Comment
1.1.1.1 Proactively liaise with community transport provider/s and public transport providers to ensure community needs are being met	Initiate 3 meetings with community transport providers annually to better monitor community transport needs and issues	Planning, Community & Development	Progressing	70%	Discussions held with Valmar Support Services regarding community transport. Transfer of ownership of Community Bus completed. Member of Berrigan and Jerilderie Community Network.	Two meetings held with Valmar Support Services representative and attended one meeting with Berrigan and Jerilderie Community Network.

1.1.2: Support a housing mix that gives choice and meets the needs of the community

Action	Progress measure	Responsible Team	Status	Progress	Comments	Annual Comment
1.1.2.1 Plan for future housing needs in the Murrumbidgee towns and encourage a range of residential developments	Complete the Murrumbidgee Local Environmental Plan and the new Murrumbidgee Local Environmental Plan.	Planning, Community & Development	Progressing	80%	The adopted Land Use Plan introduced the potential to have a mix of housing choices in the new combined LEP. These measures include either no minimal lot sizes or flexible MLS. During the report period the Young Street residential subdivision in Darlington Point commenced and a biodiversity review of the proposed residential development area in Kingfisher Avenue Coleambally was undertaken as a first step in the planning of this development.	The adoption of the new combined Murrumbidgee Local Environmental Plan will result in increased areas suitable for residential development as well as increasing options and flexibility. It is expected that the Draft Murrumbidgee LEP will be presented to Council in late 2023 before being submitted to the NSW Department of Planning for approval to begin public consultation.

MURRUMBIDGEE COUNCIL DELIVERY PROGRAM

1.1.2.2	Implement Council-managed housing subdivisions Complete the Young Street residential development in Darlington Point.	Infrastructure Progressing	50% During the reporting period the Young Street residential subdivision commenced and has the goal to be completed by the end of 2023. Furthermore Council has appointed an accredited biodiversity assessor to investigate a greenfields site in Kingfisher Avenue in Coleambally to create up to 40 new residential lots. The assessor has undertaken an on-ground survey of the site and is currently completing her report. It is proposed that the report will assist Council in designing the subdivision to minimise biodiversity offsets. Council adopted the Murrumbidgee Land Use Plan at the October 2022 Council meeting. This Plan will underpin the new Murrumbidgee Local Environmental Plan that will be considered by Council at the September Council meeting. The new LEP identifies new residential areas in Darlington Point, Coleambally and Jerilderie where new residential development may be permitted.
