4. APPLICATION DESCRIPTION

HAVE YOU COMPLETED BIODIVERSITY ASSESSMENT & APPROVALS NAVIGATOR?

Yes (please attach) No : Visit www.olg.nsw.gov.au

Area to be cleared:	<input type="text"/>	(ha/m ²)	Lot Size:	<input type="text"/>
---------------------	----------------------	----------------------	-----------	----------------------

Please provide a description for this application including the reason for wanting to remove vegetation and whether alternatives have been considered. A site plan is to be provided in the section over page.

5. SITE PLAN

Please provide a plan showing the location of: all buildings; lot boundaries and fences; road frontages and road names; location of vegetation to be retained and vegetation proposed for removal; and any identifying and significant features on the property to be inspected. Additional information may be attached to support this request, such as flora and fauna report.

Will I be required to provide further information?

Depending on the biodiversity that is present on the site and the scale of the proposed impact, applicants may be required to engage a suitably qualified Ecologist to prepare a Flora and Fauna Assessment Report to determine the level of impact that the clearing may have on threatened species, populations, ecological communities or their habitats. This Report would be considered as part of Council's assessment and determination.

Will there be conditions of approval?

Vegetation Clearing Permits may include conditions that relate to work methods, site specific requirements or rehabilitation.
