Australia Day Awards

- Little Aussie of the Year -

This category recognises the commitment and endeavours of younger community members. The Award sees one pupil from both the Jerilderie Public School and St Joseph's Primary School being selected on merit for their contributions.

JERILDERIE PUBLIC SCHOOL recognises a student who shows the true qualities of a "Little Aussie".

This young lady is always happy and polite, with a bubbly personality and a friendly greeting for everyone.

She is an enthusiastic and active member of the school community.

A keen participant in classroom discussions and activities, this student shows a great desire for learning, and always gives her best.

Her generous and inclusive nature ensures that all children of the school community are welcomed and included in playground activities.

She has represented Jerilderie Public School at the GRIP Leadership Day, competed at State level in the Small Schools' Relay, 100m and high jump at the NSW PSSA Championships, and participated in all other extra curricula activities offered.

She is a positive role model for all students, and I congratulate her on her achievements.

Ladies and Gentlemen, I have much pleasure in presenting to you the 2018 Little Aussie of the Year ...
