## **Purpose**

To provide a formal process for assisting ratepayers who may, due to exceptional circumstances, encounter difficulties with payment of their rates and/or charges

## **Objectives**

To provide assistance to ratepayers including pensioners, experiencing genuine financial hardship, with the payment of rates and annual charges

To be sympathetic and helpful to such ratepayers experiencing financial hardship

To provide an administrative process and decision making framework to determine and assess hardship applications

To fulfil the statutory requirements of the Local Government Act 1993 with respect to hardship applications

## **Scope of Policy**

This policy shall be applicable to all property owners within the Council boundaries.

## **Policy Implementation**

### **Guidelines**

Any ratepayer who cannot pay their rates and/or annual charges for reasons of financial hardship can apply to Council for assistance at any time.

Each individual case will be considered on its merits.

Council will treat all people fairly and consistently under this policy.

Council will consider all matters relating to this policy with complete confidentiality.

Council will treat people with respect and compassion in considering their circumstances.

### **Hardship Criteria**

The following conditions apply to all applications under this policy:

That the property for which the hardship application relates is the principal place of residency or occupancy of the applicant, in line with guidelines for Pensioner Concession Subsidies

That an actual hardship exists and is genuine.

## **Application for Hardship**

Consideration for hardship will only be given to cases on the following grounds:

**Death/Terminal Illness:** consideration will be given to waiving of interest on rates and annual charges for a specific term

**Temporary illness or serious accident:** consideration will be given to waiving interest on rates and annual charges for a specific term

**Unemployment:** consideration in structuring a hardship repayment plan that recognises financial constraints exist

**Financial Hardship:** with extenuating circumstances beyond the control of the ratepayer - consideration in structuring a hardship repayment plan that recognises financial constraints exist and consideration of interest waiver on rates and annual charges for a specific term.

**Natural Disasters:** (bushfire, flooding, drought) – consideration will be given to waiving interest for rates and annual charges for a specific term.

**Valuation Changes:** Council has discretion under S601 of the Act to defer payment of the whole or any part of an increase in the amount of rates payable by the ratepayer for such period and subject to such conditions as it sees fit

Ratepayers seeking concessions for financial hardship are to submit an application to Council outlining their particular circumstances and providing supporting documentation which may include, but is not limited to:

Copies of recent bank/financial institution statements

Details of income and expenditure (including monthly budget analysis)

Letter from a recognised financial counsellor or financial planner

A letter with details of the extent of the losses of property will be required with regards to applications under the natural disaster clause.

Applications for hardship caused through revaluation must be received within 3 months of the issue of rates notice in the first year of the General Revaluation for rating purposes has taken effect.

## **Procedures**

The following procedures will be followed with all financial hardship concessions:

All hardship applicants shall be advised in writing of Council's decision within 30 days of receipt of the application.

Any applicant dissatisfied with Council's decision may request that the application be reconsidered. Such requests must be made within 7 days of being advised that the initial application was unsuccessful. After Council reconsiders the application and makes a determination the ratepayer has no further right of appeal.

Any mutually acceptable repayment schedule will have a maximum 24 month term.

All repayment schedules are to be reviewed annually and upon the raising of further rates and charges

Any future rates and charges raised against the property are due and payable on the due dates.

Interest will be charged and then written off where a repayment schedule is adhered to and the arrangement provides for accrued interest to be waived.

Where a scheduled repayment default occurs, interest will be calculated and levied from the date of the last payment made in accordance with the repayment schedule. The ratepayer will be contacted in regard to the repayment default.

## **Amount of Hardship Concession**

The amount of any financial hardship concession will be determined on the merits of each individual application but will be limited to the waiving of interest charges that would otherwise be applicable during the period of a mutually acceptable repayment arrangement.

Council reserves the right to vary the terms and conditions within this policy.
