Local Chamber is a group of business people that recognize a need/ purpose for coming together to support businesses (there may be a problem that needs to be solved?). A successful Chamber of Commerce ensure there's a right mix of businesses in the town.

Benefits of joining a Chamber of Commerce:

- Making business stronger (especially in current times)
- Networking
- Training
- Mentoring

- Business Awards programs
- Business consulting

What's needed to form a Chamber of Commerce:

- Structure - Local business Chambers are typically formed as either an incorporated association or a company limited by guarantee.
- Constitution – Business NSW have a template which can be modified
- Regular Meetings
- Annual General Meeting
- Elected Board Members - individuals responsible for the overall governance, management and strategic direction of the local business chamber.

Next steps for Jerilderie businesses are to identify potential Board Members – 4-5 people. (Five executive positions including President, Treasurer and Secretary to potentially meet once a month and look at what are we delivering, what impacts are these having). Ted Nugent as Interim President. Kathy McFarlane, Joanne Peel, Goldy Sharma, Mark Fitzgerald, Tash Nash and Brendan Lawton to also be on Board. THE RIVERINA

Director Crane and the Chair will try to set up a meeting with David Yeates. **Action 2020/06-05**

ITEM 3 – Discussion with Destination Riverina Murray (DRM) re recent results from Visit Riverina socials and the support DRM have been providing over the past few months

Richie Robinson and Katie O’Neill from DRM phoned in to participate in this agenda item at 10am.

Prior to them joining, Brent and Sara provided an overview of the support provided and the value that thrive has obtained from the support.

DRM overview – Katie has been providing support of roughly 5 hours per week for about 10 weeks to achieve one post per day in conjunction with Sara doing all scheduling, editing and collecting content from members. DRM want Visit Riverina socials to be as strong as possible – increased engagement is proof that these results can be achieved with more time allocated to it. Suggest simple competitions to encourage use of #visitriverina and obtain more content for reposting. Also allocate time to replying to comments. There is a content gap without Wagga, Griffith and Junee however if social media is more valuable this will assist in getting councils on board. Longer term strategies could include themed posting and targeting to particular areas like regional Victoria, Sydney etc. They can commit to some level of support for the next few months and assist in getting a promotion package together to present to non-member councils next year. Suggest boosting money allocated to more time for content creation. They will provide an estimate of how much time Katie can spend in assisting us over the next few months.

Richie and Katie left the meeting at 10:25.

The board discussed the feedback and social media budget allocations. It was resolved to change the budget to 20 hours per month by reallocating boosting budget and using budget surplus to increase the hours – aiming for equal resources with DRM’s contribution.

Do at least one competition as a trial, perhaps a longer running competition. Eat here, stay there type of competition. Use the dream now stay later, play later, something open-ended you can use in the next 12 months. Some shires have gift cards which could feature as prizes.

Suggest working group to put together a competition. Tiffany and Miriam H, Marina and Matthew Pete are happy to be on a working group to figure it out.

It was RESOLVED to increase the social media budget to 20 hours per month. **Action 2020/08-01**

It was RESOLVED to form a working group to create a social media competition comprised of Tiffany, Miriam H, Marina and Matt Pete. **Action 2020/08-02**

ITEM 4– Now’s the time to Love NSW collaborative marketing campaign

Update re: discussions with Destination NSW and Destination Riverina Murray with Thrive Riverina the lead agent for this campaign.

Brent and Miriam H have been finalising the approach which will then be taken to participating members, at which point the financial commitment will be required.

THE RIVERINA

ITEM 5- Thrive Riverina Strategic Plan 2020-21 – discussion re key actions moving forward

The board reviewed feedback from working groups and other feedback received from current and new member councils.

The Board discussed the format of seasonal newsletters and request for content – normally we would focus on Spring events but due to Covid we will focus on outdoor activities like boating, cycling, hikes, parks etc. The focus will be not on coming now but that when you plan to come you can socially distance. Picnic trails, art trails, canola trails etc, new and emerging products e.g. Matt can contribute something about Whitton Malthouse.

The Board discussed the merging of Taste Riverina website content to The Riverina website, and whether we should unpublish non-member content. Discussed merits of contacting operators in those LGAs to make them aware that their content will be removed.

There is a need to review and update all content to identify any content gaps which may emerge from removal of non-members – e.g. will lose a lot of wineries so may alter categories to Wineries/Cidermakers/Breweries.

Brand merchandise –Board decided to hold over for next meeting.

It was RESOLVED that the Chair will contact operators about removal of their content, copying in the tourism managers of the relevant council. **Action 2020/08-03**

It was RESOLVED that the EO will contact members with strategy for reviewing and updating website content. **Action 2020/08-04**

ITEM 6 – Sara to provide an overview on updates made to The Riverina website

The EO provided an overview of recent changes to The Riverina website in additional branding elements and new members added. Coolamon content recently received and will be added as soon as possible.

ITEM 7 – Snowy Valleys Winter Events

Director Hewson provided an overview of new Snowy Valleys Council Winter Festival which will take place in 3 events over June, July and August in Tumberumba, Batlow and Adelong. The focus will be on local produce (Winter Bites Festival) and businesses will be encouraged to organise events before and after (festival will run 12pm – 6pm each day). There will be music for each event featuring well known headliner acts, a paid coordinator, buses from surrounding regions, and seed funding to run events in the future – not necessarily the same towns each time. Subject to funding approval.

ITEM 8- Finance Report

8.1 Cashflow Spreadsheet

The EO presented the cashflow spreadsheet for the board's review.

8.2 Items paid by debit card

The EO presented the list of items paid by debit card.

THE RIVERINA

It was **RESOLVED** that the finance report be accepted.

ITEM 9 – General Business

Director Pete provided an update on the progress of the opening of Whitton Malthouse. Fitting out accommodation units, Interiors almost complete. Website launched over the weekend. Awaiting tables and chairs to arrive from cities. Want to open up more dates when they have more capacity.

The board discussed the DRM Strategic Plan released last week. Concerns were raised around clarity of their changed role not being clearly articulated in their plan.

It was **RESOLVED** that we will organise a meeting to discuss outside of members meeting as Richie is attending. **Action 2020/08-05**

Meeting close

There being no further business, the meeting closed at 11.58am. The next meeting will be via teleconference on 20th October or at Leeton if travel and gathering restrictions allow. Director Hewson will be an apology. Director Pete happy to host us at Whitton Malthouse if we are able to meet in person. Meeting closed 11.58am.

Signed as a correct record.

The Chair noted that he missed the last members meeting due to paternity leave and that the Deputy Chair (Director Hewson) did an excellent job in his absence.

Item 1 - The board members and executive officer introduced themselves to the members in attendance, particularly the two new board members Marina Uys (Bland Shire) and Matthew Pete (Whitton Malthouse).

THE RIVERINA

Item 2 – The Chair thanked members for their support in progressing the campaign brief. DNSW now reviewing the material submitted, they will put together a media implementation plan, we will review it and ensure that it meets our brief. DNSW are very aware that we need to highlight the members involved and avoid the larger centres that have chosen not to take part. Hope to present in early September and then members will make a formal financial commitment to it if they are happy to progress it. Thrive are confident that DNSW have understood the brief well.

Item 3 – MOU with Thrive and DRM was sent to all members. Established to define what each organisation does and how we will work together. Signed by new chair Kate Shilling and Thrive Riverina Chair Brent Lawrence.

Item 4 – Strategic Plan actions – mostly social media focus at the moment.

Item 5 - Approach to Visit Riverina socials for next financial year

The board has reviewed our budget and committed to 20 hours per month to Visit Riverina social media channels. DRM's view is that the social media presence are critical tools in getting people to visit the riverina. They have provided resources at the back end to assist Sara in providing a constant stream of content and improving the feed. Richie encouraged members to support Sara by providing quality content. Unified approach to sell to non-members. It's the one thing to add value to what non-members are already doing. Package up results in March or April, we recognised that it needed a lot of work, here are the results, they speak for themselves, more members will further boost that resource pool to improve again in the future. Improve gaps in content from Wagga and Griffith not being involved.

The Chair notified members that we will be taking down content from non-members. Will be approaching operators to inform them of the change. Hoping that operators will be able to advocate to their LGAs on membership. We have to be fair to people that are paying members.

There was a discussion around the merits of contacting non-members prior to removal and contacting operators. Some members felt it was best to maintain the relationships, particularly with operators. Suggestion to send as a letter to GM/Mayors and note that it's unfortunate and unprofessional from a regional perspective – disagreement from some members as will undermine director/manager's decision and further push them away. There was concern that removing the two cities may make it harder for visitors to geolocate us. Thrive will ensure that the cities remain with basic information but all other content is unpublished. Strength in numbers approach is really valued by smaller councils. Larger councils will need to be convinced with reasons to join – projects, promotions, product development over next 12 months. Stats on website traffic, high level of engagement on social media. Thrive Riverina and DRM collaboration established for our social media platforms with the aim of presenting these results to current and non-member councils early next year.

Sara provided an update of changes to The Riverina website – additional branding elements included and new member content.

Item 6 - Around the grounds

Kellie Dissegna – Darlington Point Accommodation Village opened up in June. Cultural and Heritage Centre soft opening December/January. Inaugural Bunyip festival June next year. Going to update their image gallery.

THE RIVERINA

Matt Holt – Finalising the third water tower by the end of the year. Yerong Creek. Image library update. Working with team at National Parks - improvements at The Rock probably later in the year.

Laura Munro – updating print collateral. Updating website content. New information. Promoting the Canola Trail heavily at the moment. Extending and finishing some of the bike tracks. Working on a heritage sign project.

Ali McLean – new campaign on social media ‘The plains are calling’. Sunset/Sunrises. Really successful, doubled followers within a 6 week period. Concentrating on growing Instagram following as well. Thrive website content added. Tourism industry development 4-week tourism tribe course starting in September. Now’s the time to get ready for new market. Concentrating on Canberra while Victorian border is shut.

Craig Sinclair – Warbirds Downunder postponed due to Covid. Reschedule for March/April next year, alternate date beyond that. Also postponed a lantern and fireworks event to next winter. Diamonds and Dust – artisan market, workshops, coffee shops. Rural museum is having a massive makeover completed by end of this year. Working with retailers and businesses on extended opening hours on weekends and during the week. About 60% support for this. The Mill building proposal to convert to boutique lifestyle with distillery attached to it. Should be opened 2023.

Marina Uys – Bland Art Trail won an award, plans to extend. Ecotourism accommodation at Lake Cowal hopefully by end of next year complete. Very successful in some grants, redoing memorial walk, outdoor Aboriginal art museum, green corridor walking and cycling track. Extending water way to introduce canoeing with rainwater.

Miriam Hewson – New video ready to go, shot in Nov , reshooting in April and then had to change what they were going to say. Tagline is come find us, want to wait until people can. New app, same reason is delayed. Snowy Valleys Way project is trail from Gundagai to Corryong and into Beechworth. Have to wait for border to reopen. Visitor servicing staff are doing tourism e-school training for visitor servicing and tourism marketing. National Parks staff also doing it. Rail trail has been really popular through lockdown. New cycling guide with maps of Tumbarumba. New business Tumba Bikes and Blooms offering bike hire. Catering company that offers picnic packs and brunch packs. Updating collateral. New quick guide to the snowy valleys coming out, just attractions and things to do and direct people to website as everything is so in flux at the moment, so no businesses featured directly. Tumut wetlands guide, birdwatching guide, templates from branding people to enable Miriam to create her own brochures. Hume and Hovell repairs post bushfires.

Tiffany Thornton – Building Better Regions Funded Indigenous cultural festival in 2022. Updating tourism and marketing initiatives out at the airport to make it more attractive and welcoming. Destination discovery hub at visitor centre project meetings started. Revamped heritage walk guide. Drive in movie night October 3rd Narrandera.

Brent Lawrence – mural going in at Whitton, water tower at Whitton. Water tower in Leeton. Projection art – get people to stay overnight and see night time projections. Murrumbidgee Trails with Lockhart, Murrumbidgee, and Narrandera Shire. Scheduled for completion end of October. Leeton responsible visitor economy activation plan. Linda Tillman from Tilma Group and Ali Uren from Kiikstart. Foundations for next few years. Got DNSW flagship funding for the Art Deco Festival. Another grant for 2 years \$50k to spend on marketing for the festival. Finalising the program for event in July next year. Leeton museum and gallery space. Roxy redevelopment project. Stage 1 works start in February next year. Functionality and accessibility. Need about \$2.7M in further funding.

Next meeting **Wednesday 18th November**, venue and format to be determined based on Covid restrictions.

3. Welcome from temporary Acting Chair - Kelly Hendry (Destination Development Manager - Parkes Shire Council)

Good morning and welcome to our inaugural video meeting of the NHPC - I'm sure this medium will be embraced by this group.

Acknowledgement of Country - Wiradjuri

Given the departure of a number of key Executive NHPC members from their respective Council roles, and with prompting from my Mayor and the NHTF, I jumped in - in an attempt to re-build the momentum of the NHPC, a group with a strong and successful record of collaboration in tourism and growing our respective visitor economies.

The format this morning will be to conduct a Special General Meeting where a new Executive will be formed, followed by a General meeting.

As has become a good habit within Parkes Shire Council, I'd first like to table a couple of relevant safety shares.

Newell Highway Promotions Committee

Safety Share #1 - with school holidays approaching motorists are being reminded that double demerits will be in place over the October long weekend with Police targeting speed, seatbelts, illegal mobile phone use and motorcyclists not wearing helmets. Double demerit points will be in force for four days commencing on Friday 2 October and ending on Monday 5 October (inclusive).

Safety Share #2 - For the first time in a few years it is looking like we might hopefully have a good harvest. As such, its important to refresh people's knowledge about the new/current rules and regulations for legally and safely moving harvest equipment on the road.

Be Road Ready For Harvest Virtual Field Day via Zoom on Thursday 24 September from 8am.

Registration is free via <https://www.eventbrite.com.au/e/be-road-ready-for-harvest-virtual-field-day-2020-tickets-117937954597>

Whilst this is an event targeted at the agricultural industry, it is a timely reminder for us all to be aware of harvest vehicles moving on our roads and on the Newell.

4. Brief Committee update

As I mentioned, the NHPC has been going through a transition period. We last met face to face in Gilgandra in summer and undertook to engage with and survey all members to understand sentiments around the NHPC and opportunities for working together and commitment levels to making it happen. Thank you to everyone who undertook the survey, the results have circulated and will form a good basis for the new Exec to plan.

The Business Plan also still has a number of relevant strategies that could still be developed by the group and if anyone would like a copy, please email me after the meeting and I can circulate.

2020 has been a very strange year for us all, and there is no better time to re-build the good work of past Committees and re-focus the NHPC in preparation for what is predicted to be a huge time for domestic tourism.

With many destinations and tourism operators significantly impacted by COVID (on the back of drought and bushfires), there is a real opportunity to build on, and strength in working together as a key regional route.

Moved: Kelly Hendry/ Tiffany Thornton

5. Treasurers Report

Firstly, many thanks to Les Moulds, an absolute stalwart of the NHPC, a very long-serving member who retired 10 years ago, yet has continued to support the Committee via his role as Treasurer and consumer show coordinator.

Les presented the following Treasurers Report:

Moved: Les Moulds/ Lisa Moon

Les further noted that the extended 3-year lifespan between brochure production (yet continued expenses of brochure distribution, website and consumer show attendance) served a detrimental impact to the financial position of the Committee, as there was \$0 income.

As such, the new Executive will need to do some financial and business planning to ensure that the Committee is in a stable financial position to be able to continue the activities it deems important and may need to seek a minor 'topup' contribution from members to tide the group through until next brochure production (as suggested by Mayors at the Newell Highway Taskforce).

Item 8A Progress on BFRMP strategies/tasks [report from each organisation in turn – every meeting]

Still not approved due to the Jerilderie & Murrumbidgee LGA merger. The plan is currently being updated due to the construction of and changes to infrastructure. Hoping for a draft to be presented at the next meeting. Ben Dal Broi queried any update in regards to the council merger. Still awaiting a decision from NSW RFS (head office).

The “Murrumbidgee” council area will either be split between MIA and Mid Murray NSW RFS districts (meaning no change), or the entire council area will go to one district. A discussion was had in regards to finances and committees and how those processes would fair. It was suggested that the MIA BFMC write to the Bushfire Coordinating Committee (BFCC) requesting action.

Kevin proposed that the MIA BFMC write to the BFCC requesting action, a draft letter will be sent to Ben Dal Broi for approval on behalf of the entire BFMC. All agreed.

Nil report from other agencies.

Item 8B Annual Works Plan

Out of 42 items there are only 4 yet to commence which are scheduled over the next few weeks (RFS).

Item 10 Fire Access & Fire Trail Register

The Fire Access Fire Trails (FAFT) plan was submitted to the BFCC on 10th July 2020 and is still awaiting approval.

Item 11 Grant Funding

David Webb asked about funding contribution to councils for hazard reduction works from the RFS. Requested an update from David Jones who explained that they're reviewing the current system. David Webb asked if there was any way to fast track this review due to the fast approaching bushfire danger period. David Jones will follow up and communicate with Kevin. Kevin will update David Webb.

Item 12 Seasonal Outlook

Sent out to all with the agenda. For information only, a La Niña alert is currently active.

The statutory bushfire danger period will start 1st October 2020, permits will be required from then and timber will not be allowed to be burnt. BFMC in agreeance – no changes to be made.

Neighbourhood Safer Places (NSP's)

NSP's are currently being inspected, 5 are completed with the remaining 13 to be finalised over the next few weeks. Possible changes to the requirements for open space NSP's to come through. Will update stakeholders if required. NSP's are inspected every 12 months and condition reports submitted to NSW RFS Head Office, with updates made to the community protection plans as required.

NSP locations can be found at:

<https://www.rfs.nsw.gov.au/plan-and-prepare/neighbourhood-safer-places>

Community Protection Plans (CPP's)

The Maude and Rankins Springs CPP's are continuing to be developed in consultation with specialist staff in the NSW RFS Head Office. They are past the community consultation stage. David Webb mentioned works on the new Maude bridge should start in a few months and is expected to take 6-8 months to complete. They will not close the old bridge until the new one is opened.

CPP's can be found at:

There are 76 recommendations which can be found on pages vii to xx. If accepted by government, the below recommendations could have a direct effect on the BFMC;

2, 8, 11, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 30, 31, 32, 33, 38, 39, 44, 45, 46, 61, 75

If you would like further clarification on anything from the report please do not hesitate to contact Jason.

District Ignition Prevention Plan - has been updated recently and requires signatures from councils, FRNSW, NPWS, and forestry. Those in attendance, please sign after the meeting.

BFMC Handbook – An updated BFMC handbook has just been released. The recommendations from the bushfire inquiry are likely to require modifications to the handbook once again.

You can find the handbook here:

Attendees using Microsoft Teams all mentioned an issue with the sound quality from the MIA office videoconferencing system – equipment will be inspected and tested after the meeting.

David Webb mentioned that councils received an email from Stephen O'Malley (NSW RFS Finance) explaining that the allocations for new assets (stations & tankers) has been delayed, but to continue with current station builds. David stated that the delay of funding approval puts pressure on council resources. Kevin explained that at a district level unfortunately nothing can be done however we understand the position councils are in.

Paul Farrell reported via Microsoft Teams that Carrathool Shire Council continue to carry out slashing and road side spraying in their LGA. They are also reviewing their bush fire management plan and hope to have a revised draft ready for the Local Emergency Management Committee (LEMC) in October.

Eric Whiting from the Nature Conservation Council asked via email if there was a process for individuals or groups to comment on trails that have obstructions, and if so can they obtain maps of the fire trails. In particular, Eric mentioned the Murrumbidgee Field Naturalists Club that frequently visit bush areas and could easily feedback such information. Jason responded that although there is no formal process any feedback is always welcome. Jason encourages trail feedback be emailed to mia.zone@rfs.nsw.gov.au

In regards to Fire Trail maps, Jason explained that the agencies may have these available for the public (NPWS/Forestry). The Fire Trail Registry that was collated through the MIA BFMC is not for public distribution.

Eric also asked if the tracks/lanes that link with fire trails could be included in the category mapping as in the event of an emergency a fire crew unfamiliar with the area may try to use a route that is unsuitable for their category vehicle. The southern end of the Whitton Stock Route at Binya has prompted this query.

Jason responded that we are aware of this section of the Whitton Stock Route and are working to have the problem areas repaired. The Fire Trail Register (not to be confused with agency fire trail maps) lists the primary trails, then the linked tracks/lanes as secondary or dormant trails. A response from Robin Mares NPWS is attached.
