

Mr Craig Moffitt
General Manager
Murrumbidgee Council
PO Box 96
JERILDERIE NSW 2716

Attention: Susan Appleyard, Director of Environmental Services

Dear Mr Moffitt

Planning proposal (PP_2018_MBIDG_001_00) to amend Murrumbidgee Local Environmental Plan (LEP) 2013 to include Toganmain Woolshed Precinct (Part Lot 1 DP 750901, Sturt Highway Darlington Point) as a heritage item in Schedule 5 of the LEP.

I am writing in response to Council's request for a Gateway determination under section 3.34 of the *Environmental Planning and Assessment Act 1979* (the Act) on 28 June 2018 in respect of the planning proposal to amend Murrumbidgee Local Environmental Plan (LEP) 2013 to include Toganmain Woolshed Precinct (Part Lot 1 DP 750901, Sturt Highway Darlington Point) as a heritage item in Schedule 5 of the LEP.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination. ([Attachment 1](#))

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation ([Attachment 2](#)) to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

A copy of the request should be forwarded to the Department of Planning and Environment (westernregion@planning.nsw.gov.au) for administrative purposes.

All related files for LEP Amendment, including PDF Maps, Map Cover Sheet, planning proposal document and GIS Data, if available, must be submitted to the Department via the Planning Portal Website at <https://www.planningportal.nsw.gov.au/planning-tools/online-submission-planning-data>. To submit the data, Council is required to create an account and log in using these details.

In accordance with "A guide for the preparation of local environmental plans", the Authorised plan making reporting template (Attachment 3) is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 3.36 submission when requesting the planning proposal be finalised.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Ms Amanda Carnegie to assist you. Ms Carnegie can be contacted on 6841 2180.

Yours sincerely

W Garnsey 11/7/18

Gateway Determination

Planning proposal (Department Ref: PP_2018_MBIDG_001_00): to amend the Murrumbidgee Local Environmental Plan (LEP) 2013 to include Toganmain Woolshed Precinct (Part Lot 1 DP 750901, Sturt Highway Darlington Point) as a heritage item in Schedule 5 of the LEP.

I, the Director Regions, Western at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act, 1979* that an amendment to the Murrumbidgee Local Environmental Plan (LEP) 2013 to amend the Murrumbidgee LEP 2013 to include Toganmain Woolshed Precinct (Part Lot 1 DP 750901, Sturt Highway Darlington Point) as a heritage item in Schedule 5 of the LEP should proceed subject to the following conditions:

1. Community consultation is required under sections 2.22 and 3.34(2)(c) of the *Environmental Planning and Assessment Act 1979* as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Environment August 2016)*.
2. Consultation is required with the Office of Environment and Heritage under section 3.34(2)(d) of the *Environmental Planning & Assessment Act 1979*. The Office of Environment and Heritage is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. Prior to submission of the planning proposal under section 3.36 of the *Environmental Planning & Assessment Act 1979*, the final LEP maps must be prepared and be compliant with the Department's 'Standard Technical Requirements for Spatial Datasets and Maps' 2015.
4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the *Environmental Planning and Assessment Act, 1979*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.

Dated 11th day of July 2018.
