

# FOOD GROWS *where water flows*

Don't turn off the tap  
**Help Our Future  
Farmers**

[www.speakup4water.com](http://www.speakup4water.com) - the real greens

# Your future food Needs Our Future Farmers

Help us to help you – let's stop  
Governments destroying your food bowl

We all need protecting from the Basin Plan

- No further water recovery
- Fish need more than just a flow
- Transparency and Accountability  
from politicians and bureaucrats

**No Water = No Food**  
**No 450**
